War Relief Drive Goes Over The Top

Fund Solicitation Continues Under Orders From Red Cross Headquarters

Sierra Madre Red Cross chapter went over the top this week in its drive for war relief funds. The original quota set for the local chapter was \$1200, and by Wednesday contributions totaled \$1350. Attaining the quota does not mean, however, that there will be a let-up in the drive, because the nationwide quota has been doubled, and all chapters have been asked to give as much over their quotas as is humanly possible. Beginning Saturday the stand in front of the Savings Bank will be discontinued for one week, but contributions will be gladly received at the Red Cross office.

Appreciation to Mrs. Edna Holland, for her work on the last production quota, and to Mrs. Helen Lovejoy, who served as chairman of downtown solicitations, was expressed by Red Cross officials.

Monday, July 1, has been set aside at Hollywood Park track by the Racing Commission as a special racing day for the Red Cross war relief fund.

Local Red Cross headquarters has been a busy place this week, according to Mrs. Jessica Wright, war production chairman. A production workroom has been provided where sewing on clothing for war refugees and the making of hospital garments will be carried on. Mrs. Harold Stitt, chairman of the knitting division, asks that anyone having odds and ends of yarn bring them to the headquarters, or phone 1044 and they will be sent for. Anyone having a sewing machine that she would be willing to lend to the Red Cross is asked to send it to Headquarters, 74 West Sierra Madre Blvd., or telephone 2973. Pieces of old, soft white linen are greatly needed.

Four Cottages In Canyon Park Sold

Four cottages in Canyon Park changed hands this week when the Cadmus real estate agency sold houses at 631, 655 and 663 Brookside lane to Bruce C. Anderson and his mother, Mrs. Eva R. Anderson, of Huntington Park. The new owners are improving the property, which includes six lots—on which beautiful oak and sycamore trees are growing. The property was formerly owned by A. E. Berry of Los Angeles.

Another sale made by the same realtor was "Owl's Nest," at 838 Woodland drive, to Mr. and Mrs. Harry Foltz, who are now making their home here, coming to Sierra Madre from Pasadena.

Woman's Club Sale Will Be Benefit For Red Cross

Cooperating with the Sierra Madre Chapter of the American Red Cross in its current drive, the Sierra Madre Woman's Club will sponsor a rummage sale and food sale in the downtown district for three days, June 21, 22 and 24, with all proceeds pledged to the Red Cross. Members of the committee in charge are Mrs. C. E. Rappolee, Mrs. W. F. Rhodes, Mrs. J. C. James and Mrs. G. M. McRoberts. Any Sierra Madreans who have saleable articles, or will contribute for the food sale should contact one of the chairmen as soon as possible.

Hundreds Of Chess Fans Due June 22

Arrangements Completed For Annual Morphy Day Tournament Here

Eleventh annual Morphy Day Chess tournament will be held at the city park, Saturday, June 22, the birthday of Paul Morphy, one of the greatest chess players and chess writers of all time.

The carnival will start at 1 o'clock with a simultaneous play of about 40 boards. Following this will be a rapid transit tournament, a team match between two clubs—probably Los Angeles and Beverly Hills. There will be individual games going on at all times and simultaneous exhibitions in the evening. Herman Steiner, president of the Beverly Hills club, will give demonstrations. All chess players in California are invited to participate in the carnival.

The city council granted the request of M. A. Woodward for permission to use the park for the carnival and to provide a truck to move tables and chairs which are being loaned for the purpose by the Congregational and St. Rita's churches.

This is a contest that has brought several hundred chess players from all over the country to Sierra Madre each year. Mr. Woodward is chairman of the arrangements committee.

Dr. Roman To Speak At Vine On Sunday

Dr. Frederick Roman, lecturer on world affairs and known to Sierra Madreans for his past affiliation with the Forum, will speak on the international situation at Sunday evening's Town Meeting at the Wistaria Vine. Claiming as his Alma Mater such universities as the Sorbonne in Paris and the University of Berlin, Roman recently was made a regent of the University of California. He has conducted foreign sessions in Los Angeles, Pasadena, Santa Ana and Long Beach.

Sierra Madre To Send 65 To Rose Bowl

Thirty-Two Will Receive PJC Diplomas And 33 End Studies At Wilson Jr. Hi

Sixty-five Sierra Madre students will be among the more than 3200 graduates to receive diplomas from the Pasadena Junior college and high schools in the Rose Bowl next Thursday evening, June 20. Twenty-three are from the lower division of PJC—16 from the East campus and seven from the West campus. Eight are from the upper division of the east campus and Yaeiko Takasugi is the lone Sierra Madrean to graduate in the upper division of the West campus. Thirty-three Sierra Madreans will receive their diplomas as graduates of Wilson Junior High.

Upper division graduates of the East Campus are Francis K. Bradley, Andrew R. Buchan, Joseph A. Burns, Keith P. Kelley, Dolores E. Kennedy, James H. McRoberts, James R. Pratley, and Thomas D. Price.

Lower division East campus graduates are: Sheldon M. Atterbury, Milton R. Blakeman, Dale W. Davis, Edna M. Dunkle, Harry L. Embree, Mary Alice Harkness, Stanton E. Irvine, Caryl P. Key, Jean McCullagh. Continued on Page Eight

Meeting Called To Organize Local Tennis Club

All Sierra Madreans interested in tennis are urged to be at the city hall next Thursday evening, June 20, at 8 o'clock when plans will be discussed for the formation of a local tennis club to promote tennis in Sierra Madre. Such subjects as conditions of play on the park courts, the holding of tennis tournaments and possible inter-club matches will be in order.

Sierra Madre's round-robin tennis tournament originally slated for Sunday, June 9, has been postponed until Sunday, June 23, it was announced yesterday. The tournament will be held on the newly-surfaced courts at the city park and there will be three classes—for boys, men and women. Local players may register with Emile Smith at the Sierra newsstand.

All Grammar School Teachers Re-Elected For 1940-41 Term

All regular teachers on the Sierra Madre grammar school staff have been reelected for the 1940-41 school year. Superintendent Gerald Smith announced yesterday. Contracts have been signed, and no changes on the local teaching staff are anticipated for the re-opening of the school year in September.

Woman Takes The Council To Task

Wife Of Dismissed Employee Resents Use Of Name In Inspired Publication

The largest audience that has attended a city council meeting in more than a year heard the reading Tuesday evening of a letter from a woman severely criticizing the council for bringing her name into a story it inspired several weeks ago in a throw-around paper published outside this city.

The writer was Mrs. Daniel H. Lewis, wife of the former city purchasing agent and assistant superintendent of the street and water departments. The story at which she took offense dealt with her husband's dismissal from the city service. It quoted "a spokesman for the council" as saying the Lewis family was in no financial distress because of his dismissal because "Lewis' wife, a Los Angeles city schools teacher, earns a salary of approximately \$150 a month." It was to these statements Mrs. Lewis particularly took exception.

Mrs. Lewis' letter was read shortly after the council went into session, and later ordered "filed." Shortly after it was read by City Clerk Pratt, council voted to go into executive session to go over bids submitted for insurance of the city's motor fleet. As the councilmen filed into their committee room the audience filed out of the city hall. The letter, addressed to the council, follows, in part:

"I write as a citizen of this city to protest against the recent news release of your spokesman, Thomas Schwartz, to a Pasadena newspaper. The newspaper article to which I refer deals in part with me, although I am not an employee of your city."

"First, I should like to point out that in my opinion, the principle underlying your reasoning is a dangerous one—namely, that need should be the basis of employment."

Graduation Program At School Here

Graduation exercises Wednesday evening at the grammar school will be in charge of the 8th grade class which is leaving the local school to continue in September at Woodrow Wilson Junior High. Forty-seven boys and girls will receive diplomas which will be presented by E. W. Ward Jr., president of the school board. The school orchestra will play an overture and procession, and Floretta Keith, a member of the graduating class, will act as master of ceremonies. Songs, musical numbers and short talks by the graduates will be included on the program.

"Our exercises are not intended to be formal graduation exercises," said Gerald Smith, superintendent, "because the students are not actually graduating from will continue their studies in the will continue their studies in the 9th grade in Pasadena in the fall. What we are stressing in the program is the fact that they are leaving the school which most of them attended for nine years. There will be no honor students or awards of any kind, except the diplomas, but we have arranged an interesting program to honor the boys and girls who are leaving, and parents and friends are invited. Exercises will be held in the school auditorium at 8 o'clock."

Thursday afternoon, June 20, at 2:30 o'clock the graduates will have a class picnic at Arcadia Park. Games and swimming will be part of the entertainment and a picnic lunch will be served.

Community Fund Is More Than Fourth Subscribed

One-fourth of the Kiwanis Community Fund quota of \$815 has been raised, with 41 donations totaling \$220 it was reported by the committee this week.

"Our drive is coming along all right, but it is a little slow," said William L. Burr, president, "Sierra Madre's boys and girls cannot be left alone. Citizenship training of these youths under character building organizations which have the interest of our nation at heart will do much to protect us from Communistic and subversive activities. Training our boys and girls along the right lines is imperative. Millions of dollars have been brought into this country by other nations to create a 'Fifth Column'—surely \$815 on Sierra Madre's part to combat these activities isn't too much."

Diplomas For Eight At St. Rita's

Certificates of graduation from the 8th grade of St. Rita's school were conferred upon Margaret Creighton, Anthony Barela, Eugene Colbert, Robert Newberry, Ruth Domm, and Irving Hopper at exercises held at the parish hall last evening, and awards were presented to Margaret Creighton, Ruth Domm, David Duran, Dolores Colligan and Francis Yehle.

Preceding presentation of graduation certificates, pupils of St. Rita's gave their annual entertainment, which consisted of an opening hymn by the junior choir; three numbers by the rhythm orchestra, 1st and 2nd grades; "Modern Mellerdrama," a sketch in pantomime by 7th and 8th grade boys; a recitation "There Are Fairies at the Bottom of Our Garden," by Patty Owen and Patty Brown.

A playlet, "Catch the Thief," was given by 3rd and 4th grades, with P. Bauman, C. Colligan, D. Kroll, and D. Fets taking the leading parts. All the other Mother Goose characters were 3rd and 4th grade pupils. David Duran presented a piano solo, and a recitation, "Seen! Things at Night," was given by Robert Mullender.

Leading parts in the play, "Anne Gets a Break," given by Margaret Creighton, Florence Osterhout, Louis Kennedy, Robert Newberry, Eugene Colbert and Ruth Domm. Others in the cast were Dolores Colligan, Jacinta Kinney, Lenore McGuire, David Duran, William Kinney, Irving Hopper, Anthony Barela, Jack Creighton and Bruce Newberry.

An address by Rev. Father Alan Prendergast, C.P., completed the commencement exercises.

Womans Club Elects New Officials

Mrs. Waverly Pratt Chosen President At Organizations Annual Meeting

Mrs. Waverly Pratt was elected president of the Sierra Madre Womans' Club at the club's annual meeting Wednesday. Miss Hazel James Ferguson was chosen first vice-president; Mrs. William Lees, second vice-president; Mrs. Ben Mobley, recording secretary, and Mrs. Paul Carter, corresponding secretary. A treasurer has not been elected as yet.

The new board of directors will consist of Mrs. Adria Johnson, Mrs. A. H. Embree, Mrs. W. F. Rhodes and Mrs. Al Miller. Installation of officers will take place at the clubhouse at 2:45 p.m., June 26, with Mrs. J. Milton Steinberger acting as installing officer.

The unanimous vote received by Mrs. Pratt, who for many years has been one of the club's most active members and under Mrs. John H. Robertson's presidency has filled the post of American Citizenship Chairman, may be considered as an expression of the faith which members have in her ability to carry through successfully any responsibility she assumes.

The annual reports of club chairmen were given before the appearance of the guest speaker, Mrs. C. J. Lucy, president of the Los Angeles District Board Alumnae, who recently returned from a six months stay in China and Japan. Mrs. Lucy spoke informally of day by day life as it is now being lived in the foreign quarters of Shanghai and Hong Kong, and exhibited many exquisite Chinese garments and art objects.

Unopposed Member Of School Board Gets 113 Votes

Sierra Madre's record of exceptionally light voting at a school board election was unbroken Friday, when 113 votes were cast at the grammar school for Mrs. Henrietta Hinkley, uncontested for her place as clerk on the local school board. Notwithstanding the fact that the polls were open from 1 until 7 o'clock, allowing commuters to take advantage of their privilege as citizens, the vote was exceedingly light.

"We have found, as a rule, that only about 20 to 25 percent of the registered voters in Sierra Madre participate in a school election," County Superintendent of Schools A. R. Clifton's office said. In 1939, the largest vote in 10 years was cast when 488 Sierra Madreans voted for a school director. The lightest vote was in 1934 when 33 citizens voted for Mrs. Ruth Bovard.

WHEN I CAME TO SIERRA MADRE

By JESSICA H. WRIGHT

THE GENTLEMEN whose articles on the good old days in Sierra Madre have preceded this effort, have dealt so adequately with descriptions and statistics, that I feel free to wander around in my memories, fishing up such incidents as seem interesting to me because of the circumstances or personalities connected with them. I have to write something because, in a weakminded moment, I promised I would and Larry Goshorn, the promisee, is a good scout as well as a friend of mine, though, at the present moment, I have a few doubts as to his being quite so admirable a character as I have sometimes considered him.

For the benefit of those among us who feel terribly abused when one of our "unusual" rains menses up the streets a bit, I wish they could have some faint idea of what a happy hour I spent one rainy day early in 1906, shortly after moving here.

My ten-year old son went on his usual evening trip to N. H. Hoemer's, at the corner of Baldwin and Central avenue, for milk, and in his absence the heavens opened and the rains came—in floods. Becoming uneasy about him, I started out and got as far as Montecito and Mountain Trail, a whole half block, and arrived there drenched to the skin and strongly resembling a drowned rat, to find a sizable mountain torrent rushing down the east side of the so-called street. In the middle of the alleged boulevard my angel child was parked, looking like a smaller but equally drowned rat, while an only slightly ominous looking torrent rushed down on the other side, but clutching the milk pail with grim determination.

It was impossible to stand against the rushing water in the gutters and it looked like a cold wet night for both mother and son, for there was nothing to be seen in the surrounding world but orange trees and water. Fortunately I found a plank nearby in the grove and managed to get it across the nearer stream and hold it long enough for Bill and the milk to reach the home shore. Bill wouldn't let go of the milkpail, flood or no flood—he liked milk with his supper! But whenever I think of that night and those streets, our present highways, chuckholes or no, seem perfectly all right to me.

Damp events seem to be rising from the mists of the past. For instance, there was the day we voted the bonds for the City Park. Was that an election, fellow citizens! The opposition declared we didn't need a park, a sheer waste of money, the whole city was a park, ten-acre fields all-around, why soak the taxpayer? And we "forward looking" supporters of the measure were no less determined to keep those marvelous old trees on that piece of ground in the center of town for the use and pleasure of all future citizens.

Jupiter Pluvius got on the job the night before the election and it rained and rained and kept on raining. I always think of Frank Monroe Smith, uncle of Emile Smith, as the man who really won that election for us. He was intensely interested in the park project, persuaded many voters of its value, and, when the day and the rains came together, he donated his horse and surrey and a nephew, Roger Lincoln, to drive. Many of our voters could not go

School Holidays In Next School Year Are Announced

A calendar for the 1940-41 grammar school year was adopted at a school board meeting Tuesday evening. Classes resume after the summer vacation on Monday, September 16, with the next holiday, Armistice Day, November 11. Thanksgiving day and the Friday following are also holidays, and December 18 through January 1, 1940 has been set for the Christmas vacation period. Easter vacation will be one week—from April 7 through the 11th. Memorial Day, May 30, will be the last holiday before school closes on Thursday, June 20.

Harry Caskey was appointed custodian for the coming year to fill the vacancy left by Ed Schneeberger who passed away this spring.

Also present were Miss Eva Hancock and Miss Barbara Gerschler. Tuesday evening the Nissake girls attended the "Big Town" broadcast at KNX.

PREPARE TO ENTERTAIN YOUNG BRIDE AND GROOM

The R. W. Solomon household was in a state of busy preparation this week in anticipation of the arrival of their son Andrew Walton who with his bride, the former Miss Doris Norris, daughter of Mrs. E. R. Norris of Atlanta, Ga., left New York at the close of the school year at Harvard University on a cross country honeymoon tour. They are expected to arrive in Sierra Madre during the weekend.

Mr. and Mrs. Walton were married in Atlanta, last December 20, but announcement of the wedding was withheld until May 20, when formal announcement was made by Mrs. Norris shortly before she and Mrs. Walton left for New York to join Mr. Walton. Mrs. Walton was educated in the Atlanta schools and graduated from a young woman's school in that city. Mr. Walton graduated last year from the Georgia Institute of Technology where he was a Delta Phi Phi officer, and also elected to membership in the Scientia Club an honorary society. He has completed the first year of a two-year course at the Harvard Graduate School of Business Administration, where he will resume his studies in the fall. Before going east Mr. Walton attended

Parents Are Urged To Attend First Cub Forum Tomorrow

First "Cub Forum" in Sierra Madre will be held at the E. A. Davey home, 84 Monterey Lane, from 3 to 9 o'clock tomorrow (Saturday). Meetings will be held during the afternoon, with a discussion of the aims of the cub movement, and a demonstration of methods used in cub work. A barbecue supper will be served, and the forum will be climaxed by a cub fire from 7 to 8:30 o'clock.

All Sierra Madreans interested in cubbing are invited to attend, and a special invitation is extended to parents of cubs, den chiefs, scoutmasters, and pack masters. The forum is given by Mr. Davey under the auspices of the Pasadena-San Gabriel council.

There will be a small supper charge and those who plan to remain for the evening barbecue should telephone reservations to Mrs. Davey at 4581.

Pasadena Junior College. He and Mrs. Walton plan to spend their summer here with Mr. and Mrs. Solomon.

Offer Free Training For Civilian Pilots At Caltech Now

The California Institute of Technology in Pasadena announces a summer course in aviation as a part of the civilian pilot training program of the Civil Aeronautics Authority. The course consists of two parts: a ground school and a flying school to be held at the Monrovia airport.

The course is open to those who can satisfy the following requirement: They must be now enrolled in a college or university (this includes the upper division of the junior colleges); or they must be college or university graduates; or they must sometime have had two years of college or university work. They must have passed their 18th birthday and must not have reached their 26th birthday by June 1, 1940.

This course will close September 15 and is given free. It provides an excellent opportunity for civilian pilot training without expense. Register with Professor W. S. Sears, Room 212, Guggenheim Aeronautical Laboratory, California Institute of Technology, any time between 10 a.m. and 5 p.m. daily. Registration will close at 5 p.m., Monday, June 17.

Dessert Bridge Is Benefit For War Ambulance Fund

Sierra Madreans are invited to attend a dessert bridge at 8 o'clock Tuesday evening, June 18, at Wistaria Vine Gardens, for the benefit of the San Gabriel Valley Ambulance fund. Mrs. W. J. Lawless has turned over the gardens for the occasion. Besides bridge, other games will be played, and dessert served. There will be an admission charge of 35c and proceeds will be given to the ambulance fund.

To reach a port, we must sail, sometimes with the wind and sometimes against it, but we must sail, and not drift, nor lie at anchor—Oliver Wendell Holmes

DON'T LOSE THE POINT

In a period of tension like the present, it is understandable that over-zealous citizens should resort to tactics which, they believe, are in defense of democracy. But democracy, lest we forget, embraces the Bill of Rights. The Bill of Rights is still in force. The Constitution has not been repealed. The guarantees of freedom of speech, of religion, and of the press have not been revoked. This country is not at war with anyone.

The office of the Federal Bureau of Investigation in San Francisco—probably a fair sample of what happens in other cities—is being deluged with some 150 calls and visits daily by amateur spy hunters. Individuals have been branded as Nazis on apparently no stronger evidence than that they like dachshund pups, and other "hot tips" on Communists have led to guiltless college youths sporting their first ragged growth of beard.

This is not to minimize the danger of the "fifth column" activities, but to emphasize that those activities can be suppressed only by the level-headed action of authorized government officials, not by the hot-headed action of self-appointed "defenders."

U.S. Dist. Atty. Frank Hennessey, speaking in Sacramento a few days ago, uttered timely words on this point:

"I advise the informants to read the Espionage Act. The United States is not at war and there is no abridgement of free speech in this country. Some of the complaints come from persons who suspect others just because they do not agree with them as to which side is right in the European War."

This country is arming to defend the United States and the government, for which it stands. Intolerance, hysteria and mob rule gain the upper hand trampling under freedom and liberty. We can logically cancel the armament program. We will already have lost the most precious thing we were supposedly going to defend—our free institutions.

YOU CAN HELP

The thundering guns of Europe have done more than wreak unimaginable havoc on the battlefields of Flanders. They have destroyed homes, shattered families, and sent a bedraggled army of war victims—chiefly women, children, and aged—streaming in frantic haste from the war zones. For them—and they number some five million—the blitzkrieg in all its frightful destructiveness has already struck. Homeless and penniless, they are in flight today from Flanders, Belgium, Luxembourg, and the Netherlands, seeking safety in the interior of France—a nation whose every resource is today mobilized for war. The Secretary General of the Red Cross calls it the greatest refugee problem the world has ever known. There is no need for any American, aroused by the tragedy and violence of today's warfare, to sit back and say helplessly, "I wish I could do something about it!" He CAN do something. We all can. Through the Red Cross we can give real and desperately needed aid to these refugees all of whom require food, clothing, shelter, or medical care. We should be grateful for having the means to assuage, to some degree, the suffering and sorrow which has stricken the victims of war across the sea. Let it be remembered that their need is urgent!

VETS MUST ACT SOON FOR EXONERATIONS

Less than two weeks remain for veterans to file their claims for exemptions allowed them by law. County Assessor John R. Quinn said as a reminder in calling attention to the June 24 deadline. Quinn announced this week that a total of 954,000 statements had been filed, which was 5 per cent more than a year ago.

Righto---Sunday Is Father's Day

Don't forget that Sunday, June 16, isn't just another day. It's a special occasion set aside—and not by his request, you may be sure!—for someone you probably know very well. In fact, you may find him mowing the lawn Sunday because everyone else forgot to, or putting a new washer in the kitchen faucet, or fixing a cupboard door that won't shut properly. He's the man who pays the bills every month, keeps the wolf from the door, settles with the tax collector, and keeps the landlord pacified. He's the man who brings home the bacon Sunday, being Father's Day, gives you a chance to bring something home to him in the way of a gift. Ten to one he won't expect it, and ten to one, he'll be mightily pleased you remembered!

Ascension Church To Picnic Sunday; On New Schedule

The Church of the Ascension will have its annual picnic Sunday. On this Sunday will begin the summer schedule of services, the 9 a.m. service taking the place of the 11 a.m. service. Sunday after the 9 a.m. service, the children, their parents and other members will leave by autos for Covina Park, where they will spend the rest of the day. Tables are reserved and the children will have a good time in the swimming pool and on the playground. Next Sunday the junior choir will take the place of the senior choir for the 9 a.m. service. There will be no church school during the summer months.

GRAMMAR SCHOOL PUPILS LOOK PASADENA OVER

Grammar school students in Mr. McElfresh's and Mrs. MacKenzie's classes visited industrial plants and businesses in Pasadena yesterday. They went to the Goodyear Rubber Company, Pasadena fire department and juvenile court.

ALMANAC

"The opinion of the strongest is always the best."

JUNE
18—Wm. McKinley nominated for President, St. Louis, 1896.
19—46 killed in train wreck near Miles City, Mont., 1933.
20—18 persons indicted in New York as German spies, 1938.
21—U. S. Constitution established as New Hampshire ratified, 1788.
22—Joe Louis won heavyweight boxing championship, 1937.
23—Democratic convention opened at Philadelphia, 1936.
24—Senate voted 3c postage for two years, 1937.

A 50-year old grammar school near Santa Cruz closed its doors for the last time last week. The family whose five children supplied the school with its total enrollment is moving away, and for lack of other pupils the school's half century of service comes to an end. This little incident, of itself not significant, is part of a larger, important trend—the striking decline in the elementary school enrollment in California. Last year there were 30,000 fewer children in the first grade than in the year 1927-28, which was the peak year. First grade enrollments since that year have become steadily smaller. This same trend will soon be felt in high schools as well. Next year they will reach their peak enrollment and thereafter, on the basis of present estimates, decline for at least 12 years. This decrease is, of course, general throughout the nation. It is not the result of a depression—the lowest-income families have, in fact, produced more children than other groups—but of the stout bars erected against immigration. These have stopped the great streams of foreign born which formerly brought more than one million persons yearly into this country, many of them young, ready to marry and raise families. What this means to California is that the present number of teachers and school buildings will be

sufficient, in most communities, for many years to come.

The anvil of Mars forges weapons of hate, but the hammer blows on that anvil are indirectly forging strong bonds of solidarity and friendship in this hemisphere. News from below the Rio Grande and from South America gives clear evidence that, more than at any time since the Monroe Doctrine was first formulated over a century ago, the 21 Latin American republics are firm and determined in their resolve to prevent any European nation from gaining a powerful foothold in their midst, either through Trojan horse tactics or other means. The once deep-seated distrust of the Yankee Colossus of the North is disappearing in the face of a sterner reality—the fate of this Western hemisphere and the maintenance of its peace will depend on how wholeheartedly the nations of North and South America subscribe to the principle, "United we stand, divided we fall!" Europe today is strewn with the wreckage of nations who, through fear, shortsightedness, or stupidity, preferred to stand alone rather than together. That the countries of this hemisphere are determined

not to repeat that disastrous course of disunity is one reason why Pan-American cooperation is becoming daily more of a reality and less a Utopian hope.

President Roosevelt's plan for 50,000 war planes calls for more than 50,000 pilots. The magnitude of the air armament program alone is such that a call for 50,000 planes will require the training of three pilots for each plane, or a personnel of 150,000. This is the authoritative view of Capt. E. V. Rickenbacker, World War ace, who in outlining the vast tasks ahead of this country, points out that the present total of military and civilian pilots now capable of combat service is approximately 8,000. Even should airplane manufacturers acquit themselves ably in the next two years, it would still require at least three years to train the number of pilots needed to man the new air fleet. In other words, the country must not look for miracles over night or even within a year. It takes time to build a giant armaments program.

All county elections would be held in November of the odd-numbered years so that voters would not be confused by state and national issues on the ballot in even-numbered years, under a proposal advanced to the board of supervisors by the Civic Foundation of Hollywood. The election system is so arranged in Pennsylvania and many other states.

April traffic death toll throughout the United States went up 3 per cent, the seventh consecutive time that fatalities have shown an increase over the correspond-

ing month of the preceding year. Deaths from traffic totaled 2,300 in April, 1940, as compared to 2,300 in April, 1939.

A nice assortment of yelps, howls and growls will come from the city park at Kingsburg next Thursday when all the dogs in the town will be rounded up for licensing and vaccination. It is one of the many cities in the state that require that all dogs shall be vaccinated before a license is issued. Each year a day is set aside for this purpose. A veterinarian does the vaccinating as a preventive for rabies and the city's policemen issue the licenses. Any dogs found without licenses after that day go to the pound.

BIBLE FAVORITES.

KING NEBUCHADNEZZAR SET UP A GOLDEN IMAGE ON A PLAIN IN BABYLON. A HERALD CRIED TO RULERS OF ALL THE PROVINCES, "WHEN THE SOUND OF INSTRUMENTS OF MUSIC IS HEARD, ALL PEOPLE SHALL BOW DOWN AND WORSHIP THE GOLDEN IMAGE. THOSE WHO REFUSE SHALL BE CAST INTO A FIERY FURNACE."

SHADRACH, MESHACH AND ABEDNEGO, YOUNG HEBREW CAPTIVES, FAVORITES OF NEBUCHADNEZZAR WOULD NOT WORSHIP THE IMAGE. NEBUCHADNEZZAR SENT FOR THEM, "YOU WILL BE CAST INTO THE FIERY FURNACE," HE WARNED, "OUR GOD IS ABLE TO DELIVER US," THEY DECLARED, "BUT EVEN IF WE PERISH, WE WILL NOT WORSHIP THE IMAGE."

NEBUCHADNEZZAR COMMANDED HIS SOLDIERS, "HEAT THE FURNACE SEVEN TIMES HOTTER THAN USUAL. CAST THESE MEN IN"—SUDDENLY NEBUCHADNEZZAR CRIED, "WERE NOT THREE MEN CAST INTO THE FURNACE?" "YES," SAID THE MAN BESIDE HIM, "I SEE FOUR MEN WALKING UNHURT," SAID NEBUCHADNEZZAR, "AND THE FOURTH IS LIKE THE SON OF GOD."

NEBUCHADNEZZAR CRIED, "COME OUT OF THE FURNACE!" THE THREE YOUNG MEN STOOD BEFORE HIM, NOT HAIR OF THEIR HEADS WAS SINGED. THE KING CRIED, "BLESSED BE THE GOD WHO SENT HIS ANGEL TO DELIVER YOU. LET NO MAN SPEAK A WORD AGAINST THE GOD OF SHADRACH, MESHACH AND ABEDNEGO!"

Sierra Madreans Show Deep Interest In Campaign To Raise Funds For Red Cross Ambulance In France

Sierra Madre is taking an active interest in the campaign of the San Gabriel Valley Newspaper Women's Association to raise money to send an ambulance and driver to France through the American Volunteer Ambulance Corps. Another benefit tea will be given by Mrs. Hattie Lumpkin, Sierra Madre Gold Star Mother, at her home at 40 South Hermosa avenue, Thursday, June 20, from 3 to 5 o'clock. The public is invited to attend, and by this means help Sierra Madre make a good showing with other San Gabriel Valley cities in raising the necessary \$2,600.

More than fifty guests attended Mrs. Alice Sedgeman's tea Saturday afternoon and a substantial sum was raised. Assisting Mrs. Sedgeman and her daughter, Miss Olive Sedgeman, were Meses Elmer Pulling, Maybelle Barker and the Meses Kathleen and Mary Pulling.

A "silver" tea will be given Wednesday afternoon from 3:30 to 5 o'clock by Mrs. Lee Shippey at her home, 297 Nehr drive.

Modified Tree Planting Plan Approved; New Booster Pump Saves City Money

Sierra Madre's 17 motor driven automobiles, trucks and machines are covered in a liability insurance policy awarded the U. S. Fidelity and Guarantee Company, of which Minor Harkness is the local agent, at Tuesday's council meeting. The council announced that the agent's commission on the policy would be divided among local insurance agents. Three other companies submitted an identical bid of \$603.58, and one bid \$612.24.

Councilman Miller said that through cooperation between the council and Mr. Harkness the premium on this insurance has been decreased nearly 50 per cent, while the city received protection for cars owned by city employees when used on city jobs, not previously covered.

William Schwartz, new water superintendent, reported that the Edison company had completed its test of the new booster pump

Contributions of silver will go to the ambulance fund.

San Gabriel Valley Unit of the California Newspaper Publisher's Association went on record as supporting the drive Friday evening, when it passed a resolution to aid the cause. Lee Shippey explained the work of the Ambulance Corps at the publishers' meeting in San Marino, stating that the drivers receive no pay—only army rations during active service and during their leaves, which occur every three months.

Contributions to the fund may be made at the NEWS office. Sierra Madreans who have already contributed are Lee Shippey and Mrs. Sedgeman, for the benefit tea; E. E. Price, Brookside lane; Mrs. Ernest Green, Brookside lane; Blum's Market, Mrs. C. W. Weaver, George McQuestion, Mrs. E. Cloyd, Mrs. W. A. Sumner. Other cities cooperating are Arcadia, Monrovia, Temple City, Rosemead, Pasadena, Glendora, LaVerne, Claremont, El Monte, Azusa, Puente and Covina.

recently installed at the water plant and found its efficiency much above the contract guarantee. Mr. Schwartz said operation of the pump will cost 1 cent plus for each 1,000 cubic feet of water pumped, resulting in a saving of \$360 a year. Councilman Carter said that at this rate the pump would pay for itself in a remarkably short time.

City Engineer Graham reported that the tree planting program submitted by the city planning commission would cost about \$270, \$200 for the removal and transplanting of old trees and \$70 for the planting of new trees, and that the cost of watering during about 26 weeks of the year would average about \$6 a week. The council sent the recommendation back to the planning commission with the request that it pare its program so that total cost including watering, be kept within \$200 for the first year.

Demands For Citizenship Piling Up

"Old Glory and Its Citizens—Old and New," was the topic of an interesting address by Miss E. Wheeler, citizenship and Americanism teacher, Pasadena Junior College, at Tuesday's Kiwanis meeting at the Wistaria Vine Gardens. Miss Wheeler outlined the procedure necessary for every would-be citizen to follow; no exceptions are made, regardless of financial or social standing. While approximately 1,000 persons a month have applied at Los Angeles for citizenship since the European war started, only about 50 per cent of these people actually completed the requirements, Miss Wheeler said.

In an effort to determine the average age of individuals applying for citizenship Miss Wheeler found two, oldest—one 98 years of age, and another 102. She said more older people wish to become citizens now because they have heard of our old age pensions and come to America with the idea of getting in on them. The importance of citizenship training for young people was stressed by Miss Wheeler to combat subversive activities.

Dr. Lee Evans was elected vice-president in the absence of Capt. E. G. Everett, at a recent Kiwanis director's meeting, and Al Madin was appointed to fill the vacancy left on the board by Dr. Evans. Richard Lees was named a chairman of the membership committee for the balance of the year. Sixteen Kiwanians will attend All-Kiwanis night to be held Monday at the Altadena Golf club.

SIERRA MADREAN IS AMONG UCLA GRADS

Robert Hurt, son of Dr. and Mrs. L. M. Hurt, 721 West Orange Grove avenue, was among the graduates at the University of Southern California last week receiving his Bachelor of Education degree with a major in advertising. At the recent annual Commerce banquet Mr. Hurt was awarded the Gold Key for showing the greatest executive ability among the students of his department at the University. Early this week he joined the personnel department of the May Co.

Garden Club Boosts War Relief Fund

Colored slides of artistic floral arrangements, beautiful patio settings, sunsets, etc., were shown by Jack Lent at Monday's meeting of the Sierra Madre Garden Club at the home of Commander and Mrs. C. E. Rappelee. Beautiful surroundings made it possible for the large attendance to enjoy dinner served in the patio. Mrs. Rappelee conducted the meeting and in response to her plea for funds for the American Red Cross the club donated \$10.

Dr. J. E. Gossard won a huge potted fuchsia plant. The plant exchange held many varieties of plants and cuttings. The floral cultural library is still popular and shows an increase in garden interests.—Georgia Foster.

Sierra Madre Sends 65 To Rose Bowl

Lorna B. Pratt, Walter W. Reed, Henry Saltzman, Charles Shippey, Betty W. Simmons, Helen B. Thayer and Theresa D. Vickers.

Lower division graduates from the West campus are Sue Adwell, Marguerite Bridgeland, Barbara Genschler, Hubert Howard, Grace Jensen, Betty Styler, and David Sheriff.

Names of Wilson graduates will not be released at the school until graduation day, and will appear in the next issue of the NEWS.

Lights of many changing colors will flood a magnificent structure in the middle of the Pasadena Rose Bowl, Thursday evening, when students representing eight classes will graduate. Symbolizing confused thinking in the world today, the colors will grow more intense, until a complete black-out will leave spectators and graduates in total darkness. Then, in the midst of this chaotic scene, a clear white light, typifying the spirit of freedom, theme of the 1940 graduates, will rise like a great tower.

A concert program presented by the Junior College band under the direction of Andre L. Stong, at 6:30 o'clock, will greet early arrivals and promptly at 7 o'clock a trumpet call will announce the entrance of graduates. First into the great arena will be senior graduates of PJC in their traditional blue caps and gowns with red satin sashes. They will be followed by junior high graduates and 12th grade graduates of the junior college. Boys in this group will wear dark suits, girls from junior high in white and junior collegians in pastel colors.

A student speaker from the senior class will give the salutatory address followed by Rev. Albert Edward Day, pastor of the First Methodist Church, who will deliver the invocation. "Father, Hear the Prayer We Offer," a traditional response, will then be sung by the graduates.

There will be short speeches by the Superintendent of schools and the President of the Board of Education, followed by pledges of representatives of the eight classes.

Knight Asks Re-election To Assembly

May Be Unopposed For Republican Nomination At August Primary

Following an announcement of his intention to seek re-election as assemblyman from the 48th district, Assemblyman T. Fenton Knight filed his petition as a candidate for the Republican nomination Tuesday. His papers contained the names of many well known citizens of Sierra Madre, Flintridge, Altadena, Chapman Woods and East Pasadena. It is considered quite probable that Mr. Knight will be unopposed for the Republican nomination at the August primary election.

Although Mr. Knight has served but one term in the Legislature, he has won unusual recognition in his committee assignments as chairman of the committee on conservation, he is a member of the committee on ways and means, agriculture, public utilities, public morals, medical and dental, and hospital and asylums. During the recess between the first and second special sessions this year he served as chairman of the interim committee of 11 members, to investigate the need of a low rent housing and rural slum clearance program for the state.

Woman Takes The Council To Task

Continued from Page One

It seems to me that making this requirement a basis of employment is applying the principles of communism and socialism in this democracy of ours, which is extremely wrong.

"Secondly, you gentlemen know nothing of my financial condition. There are usually good, but sometimes personal, reasons for people working. You have no need or as a matter of fact, have no justification to investigate the private resources and financial conditions of individuals or families. Therefore, for you to pass judgment without any such investigation is a blatant injustice.

"Incidentally, your spokesman has erred in his information regarding my status and salary. My status in the Los Angeles City school system is Supplemental Substitute. I am employed from day to day. I do not work every day. It is impossible for me, for the city school system or this council, to state what my salary will be.

"I would like to remind you of the sentiments of the vast majority of our citizens. It is their feeling and very often their demand that jobs are held on the basis of qualifications, efficiency and ability. When any other reason is given for the obtaining or losing of a job, the only conclusion that I can draw is these reasons are only a smoke screen for personal and political patronage.

"In closing I should like to request as a matter of public record that this council consult the persons concerned before making to the press statements that may not be founded on fact."

NOEL COWARD PLAY AT THE PLAYHOUSE

Noel Coward points toward the land of Kravay, not found on any but drama maps, for his colorful and romantic comedy-drama, "The Queen was in the Parlor," which plays an abbreviated one week run at the Pasadena Community Playhouse, June 18-22. The play has stood since its premiere in 1926 as a top script in the long line of Coward successes.

'Round The Town

Friends of Mrs. E. Waldo Ward will be glad to know that she is recuperating from her recent severe illness but is as yet not able to receive callers.

Mr. and Mrs. Robert M. Hicks, now living in Long Beach, are spending the weekend in Canyon Park.

Mrs. O. L. Manning, a former Sierra Madrean who has been living at Elliott's Guest Ranch, has recently moved to 278 North Garfield avenue, Pasadena, where she is happy to receive her many friends.

Mr. and Mrs. R. A. Waddicor, 92 East Grand View avenue accompanied by Mr. and Mrs. Waddicor, Sr., of Monrovia, will leave within the next few days for a two weeks vacation in San Francisco where they plan to spend much of their time at the Golden Gate Exposition.

Sierra Madre firemen were called to the corner of Sturtevant drive and Mountain Trail avenue, Sunday morning, to extinguish a small grass fire that was put out with garden hose.

Mrs. May G. Schaefer, 31 East Alegria avenue, is expected to return Sunday, June 23, from Salt Lake City, where she is representing the Soroptimist Club of Alhambra as they plan to attend the organization's convention.

Mrs. Schaefer is the immediate past president of the club and is also chairman of the publicity committee of the American Federation of Soroptimist Clubs.

Mrs. Louis Fuller, former resident of West Montecito avenue, now living at the beach, was here Monday on business.

WOMEN WEAR FASHIONS OF '50 AT UNIQUE CHURCH PARTY

More than a hundred members and their guests attended the annual birthday luncheon of the Woman's Society of the Congregational Church which was given Tuesday at Pritchard Hall.

Unique decorations depicting monthly events were carried out on the 12 tables. A miniature replica of "Seeing Nellie Home," Sierra Madre's entry in the 1939 Rose Tournament created by Mrs. R. H. Pickett, decorated the January table. A patriotic theme which featured a special birthday cake on a musical platter which played "Happy Birthday to You," arranged by Mrs. N. W. Tarr and decorated by Mrs. Sidney Jewell who acted as hostess, represented February.

Mrs. Elizabeth Turner acted as hostess at the St. Patrick's Day table and was assisted by Mrs. Fred Staff and Mrs. Hilda Noble. Mrs. Gerald Smith presided over the April table where a huge bird house in a floral setting represented the coming of spring. A May basket of pansies arranged by Mrs. W. L. Burr decorated the May table where Mrs. Carl Hansen acted as hostess. June—the bridal table was arranged and presided over by Mrs. Homer Glidden.

Mrs. Franklyn Swift was host-

ess at the July table, where the National colors were carried out in decorations. A summer scene arranged and presided over by Mrs. E. D. Burbank and Mrs. W. J. Miller represented August. The coming of autumn was depicted in decorations arranged for September by Mrs. W. S. Hull who also presided at the table. Miss May Fuller presided at the October table where she arranged a Halloween scene. The Thanksgiving table was arranged and presided over by Miss Lavinia Nelson. Mrs. Newman Essick acted as hostess at the December table where she had arranged a winter scene.

Mrs. Henrietta Hinkley and her committee prepared the luncheon which was followed by a program arranged by Mrs. Maybelle C. Barker. Appearing in the program which featured a showing of fashions for 1950 were Mrs. Gerald Smith wearing a fall costume, Miss Genelle Paschall, party girl; Mrs. Ben Mobley, Easter parade; Mrs. Ruth Blakeman garden girl; Miss Mae Fuller, lady of the house; Mrs. Waverly E. Prett and Mrs. Ben Mobley, bride and bridegroom; Mrs. John Snoelstra, hostess, featuring the kitchen apron; Mrs. W. L. Burr, bathing beauty; Mrs. Robert Babbitt, traveling politician; Miss Dorothy Johnson, fall costume; Mrs. Harry Caskey, church lady; Miss Ruth Miles, Christmas costume.

Each of the 12 models read the horoscope for the month represented. Mrs. Henrietta Hinkley provided the piano accompaniment for the fashion promenade which caused much merriment.

on foot to the polls in a storm and that was before the automobile had come into its own.

So all day long faithful Dobbin and the survey and the nephew (a real hero if ever I saw one) sloshed through the falling torrents hauling "yes" votes. There were others who did yeoman service that fiendish day, when half the stores downtown had water in them, but for some reason that young man sticks in my mind especially. He was so very, very wet each time he reported to me at the headquarters, and he so very cheerfully took fresh names and started after more votes.

OBITUARY

MRS. HATTIE ORME

Last rites for Mrs. Hattie Martha J. Orme, 251 West Highland avenue, who passed away Friday at a Pasadena hospital, were held Monday from Grant Chapel with Rev. Stanley Bond of the Christian Church, Monrovia, officiating. Mrs. Janet Wood was soloist and interment was at Live Oak Cemetery, Monrovia. Members of the family were pallbearers.

Mrs. Orme, who had been in Sierra Madre at different times during past years, was a resident of the city for about two months before her death. She was born in Yedlin county, N. C., 55 years ago and had been an active member of the Christian Church in Hopkins, Mo., where she was also a member of the Royal Neighbors lodge.

She is survived by her husband, William; daughters, Mrs. Louise Sparks, Josephine Orme, and a son, Herman, all of Sierra Madre; brothers, Charles Harris, of Santa Cruz; Fred Harris, Hopkins, Mo., a sister, Mrs. Frank Collins, Butler, Wis., and four grandchildren, Norma, Billy, Joan, and John Allen Sparks, and Morris Orme, all of Sierra Madre.

State Is Outlawing Thousands Of Old Drivers Licenses

Sierra Madre car drivers who hold operator's licenses issued before January 1, 1928, should heed the warning issued by the California Department of Motor Vehicles, which announces that effective July 1, the department will cancel all such licenses—in other words, licenses issued during the years 1927 will be cancelled.

"The holders of these licenses should make application for renewal before July 1 in order that there will be no lapse in their privilege of operating motor vehicles," the department's letter to Police Chief Gordon McMillan, stated. The letter continues:

"It is the intention of the Department to cancel all operator's licenses issued in the year 1928, about August 1, 1940, and holders of these licenses should be advised to make immediate application for renewal in order to avoid the inconvenience of the last minute rush. Operators licenses of the 'Good Until Revoked' type issued in 1929 also will be cancelled in the near future and as an accommodation to the public, the Department will accept applications for their renewal immediately."

Mr. and Mrs. Hugh Wadell, Jr., 425 Canyon drive, will return during the weekend from a short business trip to San Francisco.

Public Invited To Breakfast Of The Masonic Lodge

All Sierra Madreans are invited to attend the annual get-together breakfast Sunday morning, June 16, from 7 to 11 o'clock, given by the Masonic Lodge at the Temple. LeRoy Davis will be the chef, which means a delicious meal will be served. This is the first in a series of summer out-of-door breakfasts which have been planned. Call 3044 for reservations.

Firemen's Midyear Dance To Be Gala Summer Event

Sierra Madre's volunteer firemen are busy selling tickets for the annual June dance which will be held Saturday evening, June 22, at the Woman's clubhouse. This midyear dance is always looked forward to by Sierra Madreans, and funds are used for a worthy cause—repairs and replacement of uniforms damaged or destroyed when the volunteers fight fires. A good orchestra will furnish music for dancing and cards will also be played. "Keep Saturday night open for our dance," said Fire Chief W. D. Richards. "We know you will have a good time."

West's Camera Mart Will Be A Delight To Photo Fans

Sierra Madreans are cordially invited to attend the grand opening of George H. West's Camera Mart, 126 South Myrtle avenue, Monrovia, from 7 to 10 p.m. this evening (Friday). Mr. West is a well-known cameraman, having operated the Pasadena Camera Mart, and the Camera Mart in Palm Springs. His store in Monrovia is attractively decorated in cream and dark blue, and is well stocked with everything the camera fan desires. All persons attending the opening this evening will receive a coupon redeemable for a free 8x10 enlargement.

China Missionary To Address Woman's Society Tuesday

Dr. and Mrs. E. D. Gaylord of Los Angeles will be guest speakers at the Missionary tea to be given by the Woman's Society of the Congregational Church in the ladies parlor at 2 o'clock next Tuesday afternoon. Miss Bertha Allen of Pasadena, who is returning soon to missionary duties in China, will be guest of honor and all proceeds from the affair will be given to her for the furtherance of medical work at her missionary station. Mrs. Gerald Smith will be tea hostess and Mrs. Charles Kinnear will conduct devotions. Reservations should be made with Mrs. R. J. Lord.

KRINKE ENTERTAINS AN ELKS TEAM

Fred Krinke, exalted ruler of Monrovia Elks Lodge, entertained eleven members of the ritualistic team which competed at a contest held Sunday at San Fernando, at a dinner at his home, Monday evening. In addition to the team members, the coach and one of the judges were among guests at the Krinke home. San Pedro won first place in the contest; Pasadena was second, Santa Barbara third, the Monrovia team fourth.

So -- YOU THINK YOU'RE SMART

And we don't doubt that you are! Here's a chance to prove your "K. Q." (Knowledge Quotient) is above average. Each week, in these columns, you'll find a list of seven general questions, one of them illustrated.

How many of them can you answer?

Guess Again

is fun for every member of the family. Not too hard, not too easy, "Guess Again" is entertaining and informative. And—just in case you're not sure your "X" went in the right place—the answers may be found, together with your "grade"

Do You Operate Under a

Fictitious Firm Name?

If so, have you complied with the requirements of Section 2466 of the Civil Code, which says: "Every person and every partnership transacting business . . . under a fictitious firm name must file . . . a certificate stating the name in full and the place of residence of such person and the members of such partnership?"

Such certificate must be published once a week for four consecutive weeks.

If you have neglected this procedure, do you realize that the name of your firm is not protected, and that you are not entitled to maintain suits for collection, or other purposes in the courts of the State of California?

Take care of this important matter NOW by having the Sierra Madre News publish certificate.

Consult your attorney or The News at once for further information.

PUBLICATION PLEASES PATRON

This letter from another pleased patron of the
 SIERRA MADRE NEWS printery tells its own story:

Sierra Madre, Calif.
 May 14, 1940

The Sierra Madre News
 Sierra Madre, Calif.
 Gentlemen:

I am greatly pleased with the book of poems just published for me by your printery and would highly recommend your work to anyone wishing to have printing done....I take this means of expressing my appreciation for the fine co-operation given me by your foreman and print shop employees.

Sincerely
 ESTHER MAE COOPER.

Invariably there is some such expression of satisfaction and appreciation by patrons of the NEWS printery upon delivery of their work... They are pleased with the co-operation they receive... the painstaking care that goes into the work entrusted to us... quality of the product... and the price.
 Your every printing need can be filled here satisfactorily, promptly and reasonably.

We print everything.
